

Rate Your Experience!

Has one of our City-Parish employees provided you with exceptional service lately? Do you have feedback that you believe could make our community a better place to live, work, and play? If so, we want to hear from you!

Together, we can find ways to improve our community and celebrate all the things that make it a great place to call home.

Expressit is a free mobile app and web tool that helps cities like ours better serve their communities. In as little as 30 seconds, you can begin sharing your opinions and making your voice heard. Expressit can be used to provide constructive feedback and recognize hard working individuals who are already doing their part to make a positive impact.
